Jay, most of this stuff is pretty easy. I'll just need a little clarification per my notes below.

1: I get it.

2: I don't get it--there's no s. 440.09 (9) in current law. Maybe should be 440.03 (9)? In any event, if he wants to be able to set event fees and gate fees administratively, I don't think we can get him there by allowing DRL to use the procedure under s. 440.03 (9), because that section deals with calculating fees for regulated occupations where the only income for a given profession might be renewal fees. There are a lot of different fees collected by DRL under ch. 444. Could we just add, on page 3, line 12, before the semicolon: "except that the department may adjust the fees under this subdivision to account for changes in the department's costs of administering and enforcing this chapter"? **YES (per our conversation)**

3. I get it.

4. I don't get it. Isn't an inspector's per diem different from his wage? Maybe change \$25 to \$250 and also change "per diem" to "fee" or something like that?

**LRBs0179/1 PAGE 5 LINE 10: After the word "Inspectors" strike everything up to the word "shall" on line 13.**

5. I get it.

6. I get it.

7. The problem is that the only new thing in the sub. that requires rulemaking is the bond. Maybe add after "act" on page 11, line 3 (and on line 8): "and any additional rules necessary for the department to implement this act"? **I'm okay with that.. (seems minor anyway)**

8. See above

9. I get it. I'll add a "fiscal changes" section. Just let me know if all the increase should go in FY 2010-11 or if he needs an increase in this fiscal year as well. **This one I'm not sure about. I don't know if they need to hire people up front, but kind of seems to me it should coincide with the bill going into effect. If they want something different then they can argue it over in the Assembly I think. I think I'm ready to draw a line here.**

Chris,

Here are the changes Hector is asking for. I'm still checking with Andy and Evan to make sure these are okay. I'll call you either before 5 or first thing in the morning depending on how soon I hear from them. I just thought you'd like to get a look at them before we decide what to do as far as drafting is concerned.

**Subject:** RE: LRB 09s0179 Topic: DRL suggestions plus permit fee and additional inspectors

Jay, per your request here are the amendments that talked about on the phone:

- Page 3 line 2 – should include amateur MMA in addition to professional contest
- **Page 3 – at the end should allow the department to set fees per 440.09 (9)**
- Page 5 after line 2. Add: The department may limit, suspend, revoke or assess a forfeiture to the promoter or club for failure to comply with this section or failure to provide accurate information to the department. Any forfeiture collected under this section shall be deposited in the appropriation account under s. 20.165 (1) (jm).
- Page 5 line 11 \$25 dollars should be changed to \$250 to be consist with line 17.
- Page 7 line 25 – you can strike examining physicians. There is really no need to require an additional license from them. They are already licensed with the department.
- Page 8 line 6: timekeepers should change to \$10
- Page 11 line 3 should read Chapter 444 instead of section 444.035. 444.035 only deals with bonds.
- Page 11 line 7 should read Chapter 444 instead of section 444.035. 444.035 only deals with bonds.
- **Page 11 after line 18 we need spending authority of 245,440 annually.**

The most important items that we agreed to are highlighted. The others are good suggestions to address. Again, thanks for your consideration.
